September Updates:

Over the last several weeks, I've witnessed lawyers in court who have not remotely put up a fight, while the wheels of INJUSTICE go round and round. These lawyers have charged their clients fees completely disproportionate to their experience - a simple check of a Bar number on the State Bar website will shed light. These unwitting clients were taken advantage of while being faced with very serious charges - stalking, robbery, theft...I was appalled. My point - don't bring a butter knife to a gun fight. Hire experienced attorneys that will fight for you.

Recent Case Results:

- Domestic Violence Charges, Los Angeles County - Charges Dropped
- Assault and Burglary, Los Angeles County - Reduced to Disturbing the Peace Infraction
- First DUI, Los Angeles County - reduced to non-alcohol reckless driving, no license suspension
